Convenient document scanning

Make everyday document scanning simple with a compact document scanner. Paper documents can be easily scanned and transformed into digital files, reducing the amount of paper you have around the office and improving document security.

Practical and compact

This space-saving compact document scanner is ideal when space is limited. Measuring slightly wider than a sheet of A4 paper, you can free-up desk space and reduce clutter.

Versatile media handling

The 20 sheet Automatic Document Feeder (ADF) manages paper up to 128gsm with ease whilst a dedicated card slot comfortably handles plastic ID cards up to 1.02mm.

High performance

Scanning up to 25 sheets per minute, your documents can be saved quickly to file, email server, USB host, network or direct scan to PC.

Desktop friendly scanning

Scanning on the move

Scan and save your paper documents whilst you're out of the office. Once plugged into your laptop, you can use the ADS-1700W to scan documents when it's most convenient for you.

Time-saving shortcuts

Scanning to different locations just got easier. Reduce the time you spend on repetitive tasks with auto start scan. Documents will automatically be scanned as soon as you insert it into the ADS-1700W. Frequently used scan-to destinations can also be setup as one-touch shortcuts on the touchscreen.

Industry leading software

Easily convert, edit and share documents with Nuance Power PDF and Paperport. Available as standard on the ADS-1700W, you now have the flexibility to make the changes you need.
